A B O U T M E

Hi, my name is Samuel Jones, and I am a highly motivated and experienced programmer.

With 10 years of programming experience throughout my middle school and high school career, I am confident in my ability to tackle any project. In my current role as lead instructor, curriculum creator, and administrator at iCode. I have honed my skills in both teaching and project management.

S K I L L S

E D U C A T I O N

Atlanta High School
2018 - 2022

Associate of Arts

Lone Star Community College
2022 - 2023

E X P E R I E N C E

Lead Instructor / Curriculum Creator / Administrator

iCode / Cypress Tx / June 2022 – Jan 2023

As a lead instructor, curriculum creator, and administrator at iCode I was responsible for teaching programming courses, developing and updating educational materials, and managing the day-to-day operations of the company.

- Led programming courses for students of all ages and developed and updated corresponding curriculum materials
- Assisted in the management of the company's daily operations, including scheduling, budgeting, hiring, and resource allocation
- Stayed up to date with the latest industry trends and best practices to ensure the quality of coursework and educational materials

Cook

Café Marrese / Tomball Tx / April 2021 – September 2021

As a cook at a French cafe, I was responsible for preparing and executing menu items, managing kitchen inventory and supplies, maintaining a clean and organized workspace, and collaborating to create new dishes.

- Prepared and executed a variety of dishes on the menu, ensuring the highest standards of quality and presentation.
- Managed kitchen inventory to ensure efficient operations
- Maintained a clean and organized workspace, while adhering to strict food safety regulations.
